

## **PARTICIPANT'S HANDBOOK**

### **INTRODUCTORY MODULE – INTRODUCTORY MATERIALS**

#### **DESCRIPTION**

This Module provides an introduction to the content and purpose of the training, encouraging participants to consider their expectations of the course, allowing participants to get to know each other and giving the opportunity to discuss how the course will be delivered.

**TIME: 1 HOUR 45 MINUTES**

#### **MODULE AIMS**

By the end of this module participants should have:

- Met the facilitators and participants and been introduced to the different skills/resources that they each possess
- Acquired an understanding of the objectives and scope of the training
- Identified their expectations for the training and established ground rules
- Created a supportive learning environment and generated positive group dynamics that will aid them through the training

#### **LEARNING OUTCOMES**

On the completion of this module, participants will have:

1. Understanding of expectations of the course and establishment of ground rules.
2. Familiarity with other participants.
3. Awareness of how the course will be conducted.
